Child-Only Open Enrollment - August 2011

Rocky Mountain Health Plans is accepting applications for child-only individual health care plans through the end of August. All children under the age of 19 will be offered coverage on a guaranteed-issue basis, without any limitations or riders based on health status. All SOLO Outlook, SOLO Outlook HSA, or SOLO Outlook Active plans are available.

The open enrollment period must then be followed by a 30-day waiting period before the child-only plan can take effect. Child-only plans will be effective on October 1, 2011.

Quoted rates are the best available and are subject to change based on the child's health status. The application is medically underwritten to determine the rate tier.

The next open enrollment period for child-only applications is January 2012.

As always, if you have any questions, comments or need assistance,
please call your Rocky Mountain Health Plans Executive.
