

Broker Briefing

SOLO Health Care Plan 2nd Quarter Renewals

Annual renewal notices for current SOLO Members who have an anniversary in April, May or June are in the mail this week. The format has been updated to include a customized premium quote for each SOLO View plan option that is eligible for a plan change. Copies of the renewal letter and customized premium quote will soon be available for your clients.

In some cases, the renewal increase to premium is substantial and clients may request a change to a lower priced SOLO View plan, which is subject to medical underwriting. For clients currently on a SOLO Select or SOLO Smart Choice plan, RMHP will be allowing plan changes to lower-priced Select and Smart Choice plans, if available, with limited medical review.

Please call the SOLO Sales Team if you need any help with your renewals. We value our SOLO Members and want to help them maintain their health plan coverage.

A SOLO Health Care Plan Change Form is included with each renewal and will be required to make a plan change. Click [here](#) to access the [Plan Change Form](#) which is available on our website www.rmhp.org. The form should be submitted at least 15 days prior to the renewal date.
