### No Premium Increase for PPO Plans

RMHP will be holding the 4th Quarter PPO small group rates through March, 2011. Understanding that a number of your clients made decisions to forego their calendar year anniversary to hold onto preferred rating in 2009, RMHP will accommodate requests for anniversary changes to January 1, 2011. Employers enrolled on PPO plans will not see a rate increase if their current renewal date is in the 4th Quarter of 2010. Employers enrolled on HMO plans will see an increase of approximately 2 percent to make an anniversary change to January 1.

As always, if you have any questions, comments or need assistance, please call your Rocky Mountain Health Plans or CNIC Account Executive.
