Rocky Mountain Health Plans Medicare Supplement Rates Now Available

2011 Medicare Supplement Rates are now available from Rocky Mountain Health Plans.

Consumers can now select from five plans: A, C, F, G, and N. The addition of Plan N creates a more comprehensive portfolio of options to better meet the needs of today's Medicare beneficiaries.

Beneficiaries can continue to choose from a range of plan designs and premium options; from the more comprehensive coverage of the popular Plan F, to a lower monthly premium along with a predictable co-pay benefit structure on Plan N.
