Patient Protection and Affordable Care Act

This plan is available to both grandfathered and non-grandfathered health plans under the Patient Protection and Affordable Care Act ("the Affordable Care Act"). Grandfathered health plans are group health plans in which an individual was enrolled on March 23, 2010, and which maintain grandfathered status in accordance with Affordable Care Act regulations. Your group health plan may be a grandfathered health plan under the Patient Protection and Affordable Care Act. Your Evidence of Coverage will state if Rocky Mountain Health Plans ("RMHP") believes that your group health plan is a grandfathered health plan.

As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your Evidence of Coverage may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to your employer, your plan administrator identified in your Summary Plan Description, or RMHP at 800-346-4643. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans.

Colorado law requires carriers to make available a Colorado Health Benefit Plan Description Form, which is intended to facilitate comparison of health plans. The form must be provided automatically within three (3) business days to a potential policyholder who has expressed interest in a particular plan or who has selected the plan as a finalist from which the ultimate selection will be made. The carrier also must provide the form, upon oral or written request, within three (3) business days to any person who is interested in coverage under or who is covered by a health benefit plan of the carrier.

An access plan is available for each managed care network offered by Rocky Mountain Health Plans to any interested party upon request. Such access plans contain information on providers, hospitals, referral and grievance procedures, quality assurance, access for members with special needs, emergency coverage provisions, and other information on how to access services.

COLORADO INSURANCE LAW REQUIRES ALL CARRIERS IN THE SMALL GROUP MARKET TO ISSUE ANY HEALTH BENEFIT PLAN IT MARKETS IN COLORADO TO SMALL EMPLOYERS OF 2-50 EMPLOYEES, INCLUDING A BASIC OR STANDARD HEALTH BENEFIT PLAN, UPON THE REQUEST OF A SMALL EMPLOYER TO THE ENTIRE SMALL GROUP, REGARDLESS OF THE HEALTH STATUS OF ANY OF THE INDIVIDUALS IN THE GROUP. BUSINESS GROUPS OF ONE CANNOT BE REJECTED UNDER A BASIC OR STANDARD HEALTH BENEFIT PLAN DURING OPEN ENROLLMENT PERIODS AS SPECIFIED BY LAW.

For small employer groups, see the enclosed Disclosure Notice for Small Employer Groups, which is incorporated into this document by reference.

The contents of this benefits summary are subject to the provisions of the Evidence of Coverage and Plan Attachments, which contain all terms and conditions of membership and benefits.
